HELP NEEDED!

To keep our Thursday lunches running smoothly, we're looking for a few extra pairs of hands. There are lots of different ways you can help, no previous experience required.

We're looking for volunteers to help with:

- Food preparation
- Serving food
- Washing up & clearing away
- Driving members to our venue

You don't have to commit to every Thursday, even helping occasionally would make a huge difference.

If you think you could spare a few hours on a Thursday and would like to get involved, please get in touch with the SVS office on 01977 681828.
